

Institutional Distinctiveness

The vision of the College includes aims to provide knowledge of the highest standard and achieve excellence. To foster the spirit of love, compassion, universal brotherhood and patriotism through the ideal of tolerance of diversities within the society and thus fulfill the institution's motto, "Learn and Shine". To facilitate holistic development of the younger generation, which includes physical, mental and spiritual wellbeing; moral values are taught and practiced in the College campus. The students get requisite lessons that keep their minds ignited for seeking knowledge and are motivated to do well in every sphere of their life. Extra-curricular activities are conducted in the College which gives a platform to the students to display their talents and potentialities. And in this regard, clubs based on variety of activities have been formed. Each student has been assigned a club based on his/her preference so as to encourage their interest besides the academic. The College also consists of various committees which look after the welfare of the students and cater to their needs. The Mentoring Programme that has been initiated by the College has also made a positive impact especially on the personal development of the students. The close relationship formed between the mentor and the mentees has helped the students to feel connected to the College as a member of the fraternity and not just as a mere student with a daily class routine. In the process of the mentoring, the mentors are able to learn more not only about their personal interests but also about the challenges that they face both as a student and as a member of the society. And accordingly, the respective mentors try their best to offer their guidance and if necessary, they are also referred to the College Counselor.
